BONES SWISS BEARINGS

Small P.O.P display case (holds 10)

Large P.O.P display case (holds 24)

Bones Swiss™ - The incomparable standard by which all other skate bearings are measured. Black Bones come pre-lubricated with Speed Cream and ready to ride. Each pack includes 4 spacers and a sticker.

Bones Swiss Ceramics - The same inner and outer races as Black Swiss, but with ceramic balls. Ceramic balls resist pitting better and roll smoother and faster. This is the best bearing, period.

REDS BEARINGS

Small P.O.P display case (holds 10)

Large P.O.P display case (holds 30)

Bones REDS™ - These are the best popularly priced bearings you can buy. If you aren't riding Bones Swiss, these are the bearings to ride.

TOOL

This compact rachet action tool has everything you need to set up or take apart your skateboard. It's the only skate tool you'll ever need.

BONES BUSHINGS

Hardcore Bones Bushings are a "double action" bushing with a hardcore urethane center. This center gives the bushings a better turn and a shorter break in period. Your truck will center better and your turns will be smoother. Available in soft, med, and hard.

Hardcore Bushings POP*
(holds 32 packs)

* Also available: 10 packs and refills

SPEED CREAM

Speed Cream R.F. - is a high temperature, low viscosity synthetic skate lubricant specially formulated by Bones to reduce friction, and provide a durable micro film of lubricant to protect against corrosion. We have found this lubricant to be superior to Teflon® based lubricants in skate environments. Speed Cream R.F. makes your bearings faster and is very long lasting.
